Personal Profile

I am a professional choreographer/dance teacher and Bachelor of Arts with Honours Dance graduate from Kingston University. I am punctual, show determination and always interested in learning new things. I always aim to show the best of my ability and strive to work hard independently. A highlight in my dance career to date is choreographing reels for Gabriela Eva. With a love of helping people, I fundraised £1400 in 2013 to take a trip to Ghana to help out at Eugemot Orphanage and plan on doing more volunteering in the future. This gave me an eye opening experience and ability of working well in a team. In 2011 I was awarded Young Musician of the Year (solo), competed with Rutland Cello Ensemble and now a grade 6 cellist.
